

9th Congress

April 22nd, 2023

National and international perspectives on dysphagia management

The Belgian Society for Swallowing Disorders is happy to invite you for our 9th conference. We proudly announce our keynote speaker:

Prof. Dr. Katherine Hutcheson

Dr. Hutcheson is a Professor in the Department of Head and Neck Surgery with dual appointment in the Division of Radiation Oncology at The University of Texas MD Anderson Cancer Center. She serves as Chief for Speech Pathology and Audiology, Fellowship Director for Audiology and Oncologic Speech Pathology, and Deputy Director of Head and Neck Surgery Clinical Research and is adjunct faculty at the University of Houston. Prof. Hutcheson is a clinician-scientist, practicing as a Speech Language Pathologist for over 18 years with Board Certification as a Specialist in Swallowing and Swallowing Disorders (BCS-S), and a Fellow of the American Speech-Language-Hearing Association.
